STACK'S "Where Everything is Guaranteed Genuine"

At Your Service —

One of the finest numismatic staffs ever assembled is shown in this photograph of the Stack "family." Left to right, seated, Norman Stack, Harvey G. Stack, Morton Stack, Jos. B. Stack, Benjamin Stack. Standing, left to

right, Joseph Petryk, Carol Bica, Henry G. Smith, Heather Fowler, Harvey W. Nelson, Barbara Lauch, George Weyr, Marilyn Blumenthal, James C. Risk, Ruth Brand, Howard Sanford, Linda Levin, and Rose Zelman.

STACK'S is the leading numismatic service in the nation. Nowhere else is there a comparable store of talent . . . an equivalent combination of skills . . . a similar depth of experience and facilities. Nowhere else is there the same reputation . . . the same dedication. Small wonder then that the largest collections in existence find their way to STACK'S doors . . . that the youngest collectors come in for their first coins. Collectors are turning more and more to STACK'S for help with their problems . . . advice with their collections . . . counsel on the profitable disposition of their coins.

STACK'S can provide a valuable numismatic service for you. May we?

We welcome letters from our customers as to their reaction regarding this new format.
